Property Portfolio

In addition to being the parent company of the storage equipment and specialist material handling divisions, Nene Group Plc is a major property investor and developer within the East Midlands.

Having various warehouse and manufacturing facilities within the Midlands, our property company is able to offer these for both long and short term lets. The Group own seven separate buildings with a total floor area in excess of 350,000 square feet, three of which are shown.

The company also offers a complete design and build service for those companies looking to rent a purpose built facility.

Various office suites in and around the Midlands are available for short and long term lets. Nene Group will tailor a specific package to suit your requirements, either on an inclusive or exclusive basis.

Rest assured that whatever your property requirement in the Midlands, Nene Group can help.
